

## QUEBEC AND ONTARIO EXPLORATION

The majority of properties in Quebec and Ontario are prospective gold properties and some are former base metal producers. Most of the properties are located in the Val-d'Or gold camp of the Abitibi greenstone belt, in northwestern Quebec. The remaining properties are located in Ontario.

Quebec			
Property	Claims / Leases	Area	Metal
Belcourt	10 claims	4.3 sq. km.	Au
Bel-Rive	41 claims	7.0 sq. km.	Au
Chimo	2 leases	0.81 sq. km.	Au
Nova	38 claims	6.0 sq. km.	Au
